

NUR MOHAMMAD HRIDOY

Frontend-Focused MERN Developer | React.js • Vue.js • Modern JavaScript

Dhaka, Bangladesh | [Email](#) | [Github](#) | [LinkedIn](#) | Phone: +880 1784540842

PROFESSIONAL SUMMARY

Full Stack Developer with hands-on experience in MERN stack and, focused on building scalable web applications and solving complex system issues through strong debugging and problem-solving skills. Experienced in AI-assisted development with a focus on manual validation, performance optimization, and clean architecture. Passionate about developing reliable, production-ready systems.

TECHNICAL SKILLS

Languages: JavaScript (ES6+), C, Java,

Frontend: HTML5, CSS3, React.js, Vue.js, JQuery, Bootstrap, Tailwind, Daisy Ui, Framer Motion

Backend: Node.js, Express.js, Laravel, RESTful APIs Development, Axios, Firebase

Database: MongoDB, MySQL

Tools: Git, GitHub, Firebase Authentication, Agile/Scrum, Figma, Playwright, BrowserStack

EXPERIENCE

Full Stack Web Development (Project-Based Experience – 2 Years Equivalent)

- Developed and tested multiple full stack applications with real-world features (authentication, API integration, dynamic UI)
- Applied debugging techniques across frontend, backend, and database layers
- Utilized AI tools to accelerate development while ensuring correctness through manual validation
- Strong debugging mindset with focus on root-cause analysis
- Experience working with modern development workflows and collaborative environments

PROJECT EXPERIENCE

Dine Ease

[Live Site](#)

Technologies: React.js, Node.js, Express.js, MongoDB, Firebase, Tailwind

- Developed a full-stack application with role-based modules for menu, orders, and user management.
- Developed 20+ reusable React components using Hooks and Context API, improving UI consistency and development efficiency
- Integrated RESTful APIs using Axios and managed asynchronous data flows
- Integrated Stripe payment gateway to handle secure online transactions and payment processing.
- Designed MongoDB schemas and performed CRUD operations for dynamic data handling
- Focused heavily on debugging API, state, and UI issues to improve system stability and performance
- Designed optimized database schemas ensuring data consistency and transactional integrity.

EDUCATION

DAFFODIL INTERNATIONAL UNIVERSITY

January, 2022 - January, 2026

Bachelor of Computer Science & Engineering

IBRAHIM KHAN GOVT. COLLEGE

April, 2018 - April, 2020

Higher Secondary Certificate

LEADERSHIP EXPERIENCE

Vice President

July 2025 – Present

Rotaract Club of Daffodil International University

- Coordinating teams and supporting structured planning and execution

Treasurer

July 2024 – June 2025

- Managed budgeting, reporting, and financial documentation

International Service Director

July 2023 – June 2024

- Led coordination, communication, collaborating with international club and formal reporting activities

SOFT SKILLS

Problem Solving, Fast Learner, Attention to Detail, Team Collaboration, Adaptability, Process-Oriented Thinking
